

March 2021

The *MakeA-Wish* foundation is proud to join forces with Fancy Color Research Foundation (FCRF) and receive your monthly **Pro-Membership** donation.

The FCRF membership donation fulfills the wishes of Make-A-Wish children between the ages of 3-18 who are fighting a critical illness. Make-A-Wish strives to provide a powerful and life-changing experience, an experience that gives hope, strength and joy during the most difficult period of their young lives.

In many places around the world, doctors treat wish fulfillment as an integral part of the child's care.
